SEPTEMBER 2017

BACKGROUND CLEARANCE INFORMATION

PA State Law requires ALL registered officials to have specific clearances completed within the past five years. These clearances need to be renewed every five years. Because PIAA-registered officials are independent contractors to schools whose Contests they officiate, the officials are required to comply with the requirements for background certifications as set forth in the Public School Code and the recent revisions to the Child Protective Services Law (adopted July 1, 2015).

Question: Will I be notified when I need to obtain updated clearances?

Answer: Yes. PIAA will send an email to every official whose clearances are reaching the expiration date. An email will be sent to that official 6 months prior to expiration, 3 months prior to expiration and 1 month prior to expiration. Upon receipt of the clearance documents, they need to be uploaded to the PIAA website. Also, on each official's ID card, the expiration date for each of the 3 clearances is listed.

Question: If one of my clearances expires, am I still permitted to officiate?

Answer: No! When any of your clearances expire, you are no longer 'active'. As soon as updated clearances are uploaded and approved, you will become 'active' and can resume officiating.

To find out additional information on the clearance process and what is required, please go to www.piaa.org. On the main page, click on Officials and in the drop-down box click on Background Clearances Info. There you will find frequently asked questions and direct links to obtain these clearances.

ONLINE REGISTRATION AND TESTING

Applicants are now able to submit their application online and pay with a credit card, or print out and mail in the form with payment.

The application fee is \$30 per sport.

The application fee (\$30) provides you with two credits. If you do not obtain a passing grade on your first attempt, you will have that second credit to take the exam again.

After registering, you will be mailed a rules book and a practice exam.

Testing for each sport is now completed online.

90 minutes allowed time to complete exam

Must be done in one sitting—if you exit out of the exam it will be marked complete and you will use one credit.

For additional information on applying and testing online, please go to the PIAA website, click on Officials, then click on Become an Official.

PIAA SPORTSMANSHIP MESSAGE

PIAA requires all registered sports' officials to enforce the sportsmanship rules for coaches and contestants. Actions meant to demean opposing contestants, teams, spectators, and officials are not in the highest ideals of interscholastic education and will not be tolerated. Let today's contest reflect mutual respect. Coaches please certify to the official(s) that your contestants will be legally equipped and uniformed according to NFHS rules and PIAA adoptions. Good luck in today's contest.

There have been some concerns addressed by the schools that some of our officials are not reading the PIAA Sportsmanship message prior to the contest. Officials are not to paraphrase, modify, or develop their own Sportsmanship Message to the captains and head coaches. For distribution purposes, this message is printed on the back of all PIAA registered sports officials' identification cards and is on the PIAA website under the Documents section of the Officials home page.

This message **MUST BE READ VERBATIM** by the contest officials. Coaches must certify to the contest officials their team is legally equipped and in compliance with NFHS Rules. The reading of this message will set the tone for the contest to be played in the spirit of good sportsmanship and have the coaches verbally confirm aloud their teams' adherence to compliance with equipment and safety rules. This confirmation is not only the adherence to contest rules, but also assists in alleviating the legal liability concerns for the officials if the teams subsequently violate the proper equipment provisions of the contest rules.

ID CARDS

ID cards for the new school year are mailed out to all 'active' officials in mid-August.

The ID cards list dates your clearances expire. As you update your clearances, you will receive a new ID card with the new clearance dates.
