

CHESTER COUNTY LACROSSE ASSOCIATION

LEAGUE RULES -- 2008 SEASON

(U11, U13 & U15 Divisions)

CCLA adheres to the NFHS (National Federation of State High School Associations) rules for boys lacrosse with the following exceptions, modifications, clarifications and points of emphasis.

1) Length of games

Games shall consist of 4 stop-time quarters of the following lengths:

U15 A or B level	10 minutes each
U13 A, B or C level	10 minutes each
U11	8 minutes each

After the first half, any time the score differential reaches 8 goals or more, the clock will only stop for time-outs. Should the score differential be reduced to less than 8 goals, normal game timing will resume. There is no option to waive this rule.

2) Overtime

Any game in which the score is tied at the end of regulation time shall be followed by one 4 minute sudden-death overtime period. If the score is tied at the end of the 4 minute overtime period, the game shall end in a tie score.

3) Time outs

Each team shall be allowed 2 time outs per half of each game. Time outs not taken in the first half shall not be carried over to the second half. In the event of an overtime, each team shall be allowed 1 time out during the overtime period. All time outs are 1 minute in length, unless both coaches mutually agree to take the field before 1 minute elapses.

4) Halftime and period time outs

Time outs between first and second periods and between third and fourth periods shall be 1 minute in length. Halftime shall be 5 minutes.

5) Equipment

Sticks: Stick length for U15 players shall be a minimum of 40 to 42 inches and a maximum of 52 to 72 inches. Stick length for U13 players shall be a minimum of 36 to 42 inches and a maximum of 52 to 72 inches. Stick length for U11 players shall be a minimum of 36 inches and a maximum of 42 inches (i.e. no long sticks at U11 level). Goalie stick length at all levels shall be 40 to 72 inches.

Pads: Gloves, shoulder pads and elbow pads shall be worn by all players, except goalkeepers. Goalkeepers shall wear throat guards, chest pads and protective cups and may wear shin guards. It is strongly recommended that all players wear rib pads and protective cups. Helmets must have a four-point chin strap and be N.O.C.S.A.E. approved (i.e. no hockey helmets), except for U11 players.

Mouthguards: Mouthguards must be properly worn by all players at all times. White or clear mouthguards are prohibited.

6) Substitution

- a) At the U13 and U15 levels, coaches may substitute by asking officials for a “horn”, stopping play and substituting, only when a ball goes out-of-bounds over a sideline (NOT an endline), or when a time-serving penalty has been called. At the U11 level, coaches may substitute upon any stoppage of play.
- b) Coaches must properly substitute players through the box “on the fly” in all situations other than those described in subsection (a) of this rule, including situations in which an injured player is on the field.
- c) All substitutions must be made through the box in front of the scorer’s table.
- d) Violations of substitution rules shall result in technical fouls.

7) Advancement

At the U11 and U13 levels:

- a) There is no time requirement to advance the ball out of the defensive area.
- b) There is no time requirement to advance the ball into the offensive restraining area (goal area) after advancing the ball over the midfield line.
- c) There is no “stalling” rule.
- d) There is no requirement to keep the ball in the offensive restraining area in the last two minutes of play by either team.

At the U15 level:

CCLA games will be played based upon NFHS advancement rules (Rule 4, Sections 14 and 15) as summarized below. Note: the trailing team in a mercy rule circumstance (described in section 8) shall not be subject to these advancement rules.

Rule 4, Section 14:

Upon gaining possession of the ball inside the defensive half of the field, a team must advance the ball beyond the midfield line within 20 seconds. Failure to do so will result in a turnover, and the ball will be awarded to the opposing team at the spot of violation or 20 yards laterally from the goal.

Rule 4, Section 15:

A team in possession of the ball shall bring the ball into the goal area within 10 seconds of crossing the center line. Once a team advances the ball inside its goal area, the ball may be brought outside the attack area unless the team has been warned to “keep it in”. A new 10 second count is started when the offensive team takes the ball out of the goal area. In the last two minutes of the game, once the winning team brings the ball into their goal area, they must keep the ball “in the box”. Failure to do so will result in a turnover.

- 8) Mercy rule
- a) A team trailing by 4 goals shall be awarded a free clear (possession without a face-off) to begin play after a 4 goal lead has been established by the opposing team. If the lead is cut to 3 goals or less, play shall resume with a face-off at midfield. Note: regardless of the score differential, each quarter shall begin with a face-off.
 - b) Furthermore, at the U15 level, the trailing team in a mercy rule situation shall not be subject to the advancement rules described in section 7.
 - c) The trailing team shall have the option of waiving the mercy rule.
 - d) The mercy rule shall not be applied in the semi-final and championship round of league playoffs.
- 9) Checking
- a) All legal checks are allowed in U13 and U15 division play, including one-handed stick checks. Special attention shall be given to one-handed stick checks which are “out-of-control” or otherwise illegal, and to body checks administered by wing middies to face-off middies during the face-off.
 - b) One-handed stick checks and body checks delivered after a run of more than 3 strides shall not be allowed in the U11 division. Note: it is the intent of CCLA that this rule be strictly enforced.
- 10) Unsportsmanlike conduct
- Special attention shall be given by officials and coaches to unsportsmanlike conduct by a player or players either on the field or on the sideline and/or unsportsmanlike conduct by any coach or spectator. Obscene language or obscene gestures shall result in an unsportsmanlike conduct penalty and game expulsion.
- 11) Placement of team benches and scorer’s table
- Wherever the physical layout of a field shall permit it, the players’ benches and scorer’s table shall be on the opposite side of the field from areas designated for spectators. When the physical layout of a field shall not permit such separation of players’ benches/scorer’s table from spectator areas, the home team shall rope off or otherwise designate areas restricted to players and coaches only, and every effort should be made to keep spectators out of such designated areas during warm-ups and play of games.
- 12) Communication with officials
- Unless otherwise indicated by the officials, only the head coach of a team may address the officials.

13) Expulsions

- a) In the event that a player or coach is expelled from a game for any reason, the head coach of the penalized team is required to inform his program director of the expulsion. That program director is required to notify the CCLA President and the program director of the penalized team's next opponent.
- b) If a coach is expelled from a game, he must leave the game area immediately. Additionally, he is suspended from his team's next game and is not allowed in the vicinity of the playing field.
- c) If a player is expelled from a game, he must leave the playing area in the accompaniment of his parent(s) or other responsible adult. If this is not feasible, the player must remain in the bench area with his equipment off but his jersey on. The player is suspended for the team's next game. The player must remain in the bench area during his suspended game without his equipment but wearing his jersey. If the player doesn't attend the team's next game, the suspension will carry over to the next game he attends.

14) Game interruption

If a game is interrupted because of events beyond the control of the teams, it shall be continued from the point of interruption at the soonest available opportunity, as determined by mutual agreement of the head coaches and/or program representatives. If this cannot be accomplished, the CCLA President (or the next ranking CCLA officer without a conflict of interest) will either mandate a reschedule date or declare the game official as of the point of interruption. By mutual agreement of the head coaches, any period may be shortened or the game terminated and deemed official at the point of termination.

15) Penalites in the U11 division

Prior to the 2004 season, the U11 division did not enforce time-serving penalties. As of the 2004 season, the U11 division will enforce time-serving penalties as per the NFHS rule book.

ELIGIBILITY RULES ADDENDUM

Player Eligibility

CCLA follows the US Lacrosse Youth Guidelines for player eligibility which state that a player may not have reached his fifteenth birthday on or prior to the December 31st date preceding the Spring season. Additionally, a player is not eligible if he participates on a high school freshman, junior varsity or varsity lacrosse team during the same season. Any school team which allows participation by ninth, tenth, eleventh and/or twelfth graders is considered a high school team. The only exceptions to this clarification are specific middle or junior high school teams which include ninth graders in separate facilities with younger grades and away from tenth, eleventh and twelfth graders. These middle or junior high school teams should play other similarly structured middle or junior high school teams. Exceptions may be granted by the CCLA Board of Directors for eighth graders that turn fifteen before the January 1st date prior to a spring season or for age eligible eighth graders that play with a high school program.

Separation of Players Between A and B Level Teams

It is the intent of the CCLA for its member programs to maintain separation between players of differing playing abilities, particularly players playing at the A and B levels. Accordingly, each program shall provide to all other programs, prior to the start of the season, team rosters with jersey numbers for each team competing in CCLA scheduled competition. Programs are expected to maintain separate and distinct team rosters. Coaches are required to notify the opposing head coach of any addition to the filed roster that may occur on a game-by-game basis. CCLA recognizes that schedule conflicts may arise for individual players or groups of players on a given team, necessitating the addition of non-roster players in order to field a team with sufficient numbers. In such an instance, a team may recruit another player or players from within that team's program from either an equal or lower level, except in the playoffs. That is, A teams may recruit from A or B teams, but B teams may only recruit from other B teams, C teams or an in-house program. In addition, this restriction applies across age lines. That is, a U15B team may recruit U13B players but not U13A players.

If a B level player substitutes on an A level team three or more times during any season, including playoff games, that player will be considered a member of the A team and will no longer be eligible to play in B level games, either during the regular season or the playoffs. The only exception to this rule is that a B level goalie may play in A level games without restriction. An A level goalie is never allowed to play in B level games for any reason.

Sanctions

The first violation of player eligibility rules shall result in a forfeiture of the game in which the ineligible player participated. The second violation shall result in a forfeiture of that team's first playoff game, and an immediate dismissal of the head coach. Similarly, violation of the three game rule shall also result in the immediate dismissal of the head coach.

2008 Rule Summary
Chester County Lacrosse Association

CCLA adheres to the NFHS (National Federation of State High School Associations) rules for boys lacrosse with the following exceptions, modifications, clarifications and points of emphasis.

U11 games

- ◆ 8 minute stop-time quarters; running time in 2nd half with 8 goal or more score differential
- ◆ 1 sudden death 4-minute OT period if necessary
- ◆ 2 time outs per half, no carry-over (called with possession anywhere on field)
- ◆ Mercy rule is free clear for team down by 4 or more goals (can be waived by trailing coach)
- ◆ Substitution (“horn”) allowed on any stoppage of play
- ◆ No one-handed stick checks
- ◆ No body checks after a run of greater than 3 strides
- ◆ Advancement/stalling rules do not apply at this level

- ◆ Mercy rule is free clear for team down by 4 or more goals (can be waived by trailing coach)
- ◆ Advancement/stalling rules apply at this level. The only exception to this is for the trailing team in a mercy situation (i.e. in a mercy situation, the trailing team gets a free clear and advancement/stalling rules do not apply to them)
- ◆ All legal checks are allowed at this level, but special attention shall be given to one-handed stick checks that are out of control and to body checks administered by wing middies to face-off middies
- ◆ Substitution (“horn”) allowed on side line out-of-bounds (not end line) or time-serving penalty
- ◆ Stick length must be 40”-42” or 52”-72”

CCLA 2008 rules vs. 2007 rules ... what has changed?

Prior to 2008, CCLA rules stated “there will be no running clock situation, regardless of the goal score differential.”

This has been changed effective with the 2008 season: “After the first half, any time the score differential reaches 8 goals or more, the clock will only stop for time-outs. Should the score differential be reduced to less than 8 goals, normal game timing will resume. There is no option to waive this rule.”

Otherwise stated, we have adopted NFHS rule 3-2, except that CCLA has adopted a threshold of 8 goals rather than 12 goals.
